Restoring your view — and peace of mind

Glass damage can happen in an instant — a kicked-up rock on the highway or a sudden temperature change. What starts as a small chip can quickly spread into a larger crack, disrupting your day and your peace of mind. That's why UFG Insurance is here to help every step of the way. Through our trusted partnership with Safelite, we aim to make the process of repairing or replacing your glass simple, so you can get back on the road as quickly as possible.
