READ THE FOLLOWING INSTRUCTIONS CAREFULLY BEFORE SIGNING

1. The signature of the Owner and/or Insured, which must be in ink, should appear exactly as the name is given in the policy. If a woman has changed her name by marriage since the policy was issued, her husband's surname should be added to her name as given in the policy.
2. If the policy is owned by a partnership, the name of the partnership should be written above the signature space, followed by the signatures of all partners, each designated as "partner."
3. If the policy is owned by a corporation, the name of the corporation should be written above the signature space, followed by the signature of an officer authorized by the Board of Directors of the corporation to sign for the corporation. A certified copy of a resolution adopted by the Board of Directors, may be required.
4. The person acting as a witness must sign on the line above the word "Witness."

IMPORTANT:! *The federal government limits the amount of money you can pay into a universal life insurance policy. If the face amount is lowered too much, United Life may be required to immediately or in the future, force money out of the policy (the owner would receive a 1099 for any interest). As a result of this reduction in face amount, we require a copy of a reproposal accompany the change request. Please contact Marketing at 800-637-6318.*

In some instances, the reduction in face amount may not be possible as requested. Other options may need to be considered.
